Field trips are educational in nature. Students must submit a permission slip signed by their parent/guardian in order to participate in the field trip. Teachers and the principal have the authority to revoke a student’s privilege to go on a trip if disciplinary problems exist. The teacher and/or class mother will select chaperones from the pool of interested parents and guardians. There may be costs associated with certain field trips (i.e. admission tickets, transportation). Arrangements will be made for any student who is unable to afford such costs and wishes to participate in the field trip. It is strongly recommended that parents do not follow the buses or appear at the field trip site unless they are official chaperones.

VIII. HOMEWORK POLICY
Homework is an important part of the instructional program. It is designed to reinforce skills taught and develop good study/research skills. All written homework should be neatly done and checked for completion by the parent/guardian. It is the child and parent’s joint responsibility to be certain that homework is completed. Each teacher’s homework policy will be presented at the Open House in September.

Parents should provide a quiet time and work area for their child to do homework. Study homework is equally as important as written homework.

If a child is absent the parent/guardian may call the school office before 11 am to arrange to pick up their child’s homework at the end of the day. This gives the teacher time to collect any materials and deliver them to the office. If you have another child or someone else in the school that can pick up the homework, please make these arrangements beforehand.

Vacations should be planned in accordance with the school calendar. If your child is absent due to a vacation, we do not provide class work or homework. Class work and homework are directly related to what the teacher teaches in the classroom each day.

IX. LOST AND FOUND
All personal articles such as jackets, hats, backpacks, lunch bags, etc., should be labeled with the student’s name. In case such articles are lost in or around school, student/parents may check the lost and found bin located in the cafeteria. Personal articles not claimed from the lost and found bin will periodically be discarded or donated to charity. Notices will be placed in the Hutch Happenings advising all of when the lost and found bin will be emptied.

**X. PARKING**

There is limited visitor parking. All numbered parking spaces are reserved for teachers and staff only. Visitors cannot park in the circular driveway from 8:00 a.m. to 9:00 a.m., and from 2:20 p.m. to 3:20 p.m. During special school events, such as school shows, visitors may park on the front lawn.

**XI. PTA – PARENT TEACHER ORGANIZATION**

The parent/teacher organization at Anne Hutchinson actively supports both teachers and students through a variety of activities. Applications to join the PTA are sent home each year in your child’s backpack and in the Hutch Happenings. There is a minimal fee to join. Several PTA fundraisers are held throughout the year, which provide everyone with the opportunity to get involved with the school. The proceeds from these events are used to fund an extensive Cultural Arts program, defer costs of class field trips and pay for annual “gifts to the school” and other expenses that arise throughout the year. After School Clubs are run as a service of the PTA to provide extra-curricular enrichment for all students whose parents are members of the PTA.

Teacher Conferences
Communication between parents and teachers is a critical factor in the success of your child’s education. We encourage frequent, open communication. Informal conferences may be held at any time during the school year at the request of the parent or the teacher; parents may call the teacher and request an appointment. There are several formal Parent/Teacher Conference dates in the fall, which will be by appointment, as well as two dates in the spring.

XIII. SAFETY

Parking Lot
For the safety of all students, it is very important that parking lot traffic rules be obeyed. All vehicles must enter from Mill Road. Speed limit is 5 mph. Please obey all stop signs. Park only in designated visitor parking spaces. Do not park in bus areas, or in designated staff parking spaces (numbered spaces) or no parking zones. Vehicles must exit at Ann Place. If there is no space available for your car, you must exit the lot and either park off campus and walk to meet your child OR drive around the block and re-enter the parking area. DO NOT BLOCK THE DRIVEWAY OR SCHOOL BUS AREAS.

Building Safety
School doors are locked at all times. All visitors must enter the building at the front entrance that is electronically monitored. Once buzzed in, the visitor will proceed to the main office to register and obtain a visitor’s pass.
Fire/Lockdown/Evacuation Drills
There are 12 mandated fire drills conducted throughout the school year. There will be several Lockdown drills and Evacuation drills as well. Students are expected to exit the building in an orderly fashion.

Bus Drills
Three (3) bus safety drills are conducted each year in accordance with State Regulations, as follows:
- 1st drill to be held during the first five days of the fall term
- 2nd drill to be between November 1st and December 1st
- 3rd drill to be between March 1st and April 30th

XIV. SPECIALS

All specials meet once a week except for physical education which meets twice a week. Library and Technology meet for two quarters each.

Art
Students should be prepared with a smock (old button down shirts or t-shirt style cover best). Occasionally students will be asked to bring in small items such as zip lock bags. A note will always be sent home if an item is needed. In the spring a district-wide Arts Festival is held to display student art work.

Physical Education
To participate in physical education class, all students must wear sneakers and appropriate clothing. Platform sneakers with heels, boots or oversized clothing, such as pants below heels are not acceptable. Students who do not wear proper attire will not be permitted to participate in gym class. Wearing the proper attire for physical education class provides a safe environment for all students.

If your child needs to be excused from physical education class, a note must be sent in explaining why and for how long he or she will miss class. A student can be excused for up to 2 consecutive gym periods with a note from home. If the student needs to be excused for a longer period of time a note from a doctor must be sent to school.

Library
The library is a place for caring and sharing. In order for everyone to be able to enjoy all of its resources, students must both check out AND return their books in a timely fashion. Doing so will help all of us enjoy the Anne Hutchinson Library to its fullest.

Checking Out Books
- Students in the second and third grades may take out three books a week.
- Students in the fourth and fifth grades may take out four books a week.
- If they finish reading their books before the week is over, their teacher may send them to return the books that they have and check out more books.

Returning Books
- All books are due at their scheduled checkout time.
- Students who do not return all of their books are not allowed to check out other books.
- Students may renew books. Renewed books must be brought to the library class.
**Special Note:** If students are assigned a book report or class project, all students may check out books for the project, whether or not they have overdue books. Students keep these “assignment books” for the duration of their project. These books are due on the next library class, after their assignment due date.

**Lost and Damaged Books**
Accidents happen. If students lose or damage books, they must pay for or replace those books.

The library assesses the following charges:
- Paperback Books – The cover price of the book – unless an exact replacement can be procured.

**Technology**
Our computer lab is a place where children can safely explore various applications, become digitally literate and learn about safety and responsibilities on the internet. Projects are integrated with the classroom curriculum and compliment what the children learn in the classroom.

We use Typing Web, an online application so that the students can practice their new skills at home. Like learning any new skill, practice at home is essential.

Children are naturally curious but learning to responsibly use the internet is very important. Starting in second grade we start to teach the children why there are so many ads on the internet and what to do when you encounter them. What do you do when something is “too good to be true”? These lessons continue right through fifth grade and some skills include super strong password strategies and responsible use of social media. One of the children's favorite part of technology is discussing current technological trends.

**Music/Chorus**
Students may join chorus in September of the 4th and 5th grade. Chorus practice will be announced. Students and parents will be notified at the beginning of the school year.

**Band**
Band practice will be announced. Students are eligible to join band in the 4th and 5th grades.

Students must provide their own instruments. Most students rent their instruments through local rental agencies. Practice and participation in rehearsals as well as concerts are required.

Students are scheduled for lessons on rotating days and times.

**Orchestra**
Students may join the orchestra program in September of the 4th or 5th grade years. Orchestra practice will be announced. Attendance at the practices before school is mandatory. The 4th and 5th graders practice on Fridays. Students are scheduled for lessons on rotating days and times.

**XV. SUPPORT SERVICES**

**Guidance/Psychologist**
Our School Psychologists are available to meet with students and parents about any issues concerning school. They make referrals to community mental health professionals when needed.
XVI. SPECIAL EVENTS

- **Class Performances**
  Each year special grade level shows and concerts are performed. Parents are invited and encouraged to attend these events. Notices will be sent home with the students and published in the Hutch Happenings advising parents of the show dates and times.

- **Cultural Arts Programs**
  The PTA funds several cultural arts programs each year. These programs include plays, shows, speakers, hands on learning events and more. These programs are held during the school day.

- **Birthday Parties**
  Children are permitted to celebrate their birthday in class with a small treat. Your child’s classroom teacher will advise you of the class practice regarding birthday observances and appropriate treats at the beginning of the school year.

XVII. TRANSPORTATION

All students living .4 mile or more from the school are eligible for bus transportation to and from school. Bus schedules are mailed to each eligible student before the start of the school year. Any questions regarding bus schedules, routes, bus stops etc. should be directed to the district’s transportation department. The telephone number is 793-6130 ext.4444. Teachers and/or the PTA will arrange transportation for class field trips and the cost will be explained to the parents. Signed permission slips will be required by all students for each field trip.

XVIII. AFTER SCHOOL ACTIVITIES

Children are offered a variety of after school activities. After School Clubs are run by the PTA.

Due to the popularity of these activities, enrollment is on a first-come, first-serve basis. Please refer to the Hutch Happenings on the web and notices sent home via backpack to review the start date of each program and fee schedule.
