Re: Contests located at Eastchester High School

We are very excited to be hosting your team at Eastchester High School. Please find below a list of policies and procedures for game day.

Our districts policies and expected procedures regarding interscholastic athletics:

- **Player/Coach Screening:**
  - All of our players/coaches are screened on a daily basis, and will not be permitted to participate if the screening is not completed. All players/coaches must attest to not having any signs or symptoms of Covid-19.
  - As a visiting school district, all of your game personnel and student-athletes must be screened before arrival.

- **Face Coverings/Masks:**
  - All school and team personnel must wear a face covering at all times on our campus. During contests all student-athletes are required to wear face coverings. In the event that a student athlete and/or coach deems the face covering to be intolerable, they are to go to a socially distanced location for a mask break. They can rejoin the activity once they are able to tolerate the face covering.

- **District’s screening process for Officials:**
  - All officials will be required to complete a Covid-19 Questionnaire and must attest to not having any COVID-19 related symptoms. This form must be completed prior to arriving at our site.

- **Locker Room & Bathroom:**
  - As the visiting team, you do not have access to a locker room. Your student-athletes and coaches will have access to bathrooms. For baseball and softball the bathrooms are located in the athletic lobby, which is located across from the baseball field. For the turf field, the bathrooms are located across the parking lot in the middle school gym lobby. No more than two people are permitted into the bathroom at a time.

- **Contact Tracing:**
  - We ask that you keep accurate records of all members of your travel team (i.e. full name and contact information) associated with the game/contest in the event contact tracing becomes necessary.

- **Spectator Policy:**
  - Up to two spectators will be permitted to attend athletic events.
    - Spectators will complete a form upon entry.
    - Spectators will provide the name of the student-athlete they are here to support.
• All spectators must maintain 6’ social distance at all times, except those who live in the same household.
• Face coverings must be worn while on our property and in attendance, at all times.
• If you leave the area for any reason, you must check back in.
• Concessions will not be available.

It is our expectation that all spectators will abide by the guidelines set forth. District Administration reserves the right to remove anyone who is not adhering to the guidelines.

• Transportation & Parking:
  ○ **LAX and Softball:** Please have the bus drop off your team in the parking lot located off of Lincoln Ave, next to the Turf Field. For games that are to be played on the grass field, proceed down to the end of the parking lot. Buses can remain parked on campus for the duration of the game.
  ○ **Baseball:** Please have the bus drop off your team in the parking lot located off of White Plains road, in front of the HS.

• Weather Delay/Lighting/Thunder:
  ○ In the event of thunder or lightning, the game will be ended at that point. We will not have the standard 30-minute delay. We will talk with the game officials prior to the start of the game.

• Availability & Access to water:
  ○ All student-athletes, coaches, officials, and game personnel will be required to bring their own filled water bottle to the game. We will have clean drinking water on-site, for refilling if needed.

Once again, we look forward to hosting your school, and together we can provide a safe and healthy experience for our student-athletes. Please use the contact information listed below:

“If school is closed for in-person education during the school year due to an increase in confirmed COVID-19 cases, school-sponsored sports must be suspended until in-person education is resumed; provided, however, that this restriction does not apply to schools that are conducting only remote instruction.”
